It's that time again for your United States Figure Skating Club membership renewal. Our standard full membership will be \$80.00 for the 2020-2021 skating year, beginning July 1, 2020 and ending on June 30, 2021. The full USFS membership entitles you to participate in USFS sanctioned events including test sessions, NEICC and Open USFS skating competitions, USFS insurance, and a yearly subscription to the Skating Magazine. We have also enclosed a SafeSport Statement which should be signed and returned with your application.

The USFS still offers an introductory membership for skaters who have never been an individual member of the USFS or a full member of a skating club. The fee for the introductory membership is \$40 for the first year. If you have a sibling, friend, or student who is interested in trying a USFS membership, please pass this information along to them.

Please return your membership form and signed SafeSport Statement with a check made payable to:
